

**THIS SUMMER WE ARE  
OFFERING NINE WEEKS  
OF CAMP!**

**June 29 – August 29, 2009**

Summer Explosion Day Camp (SEDC) is an extension of River Oaks Community Church and has been running since the mid 1990's and continues to impact the various communities in Oakville in a very real and powerful way!

SEDC is a non-profit camp which means that quite often it may cost us to actually run a summer of programming. This is made possible through various government organizations that are helping to make this dream a reality. As a result we are able to offer you an incredible camp experience at an even more incredible rate. If you require subsidy, then please call us at the office and ask to speak with the Camp Director and we'll work with you to find a plan that suits your needs best.

Simply put, we believe in Jesus and love to tell others about Him – not only in our words, but also through our actions. SEDC is a camp that challenges kids to learn more about who Jesus is and the plans and purposes that he has for each of us! Believe it or not, many times this happens on a day to day basis with various interactions with staff and volunteers.

## **1. Weekly Themes**

Every Week has its own outstanding theme with events and activities aligned to the theme. From the decorations to the games, the challenges, even to the devotional times and trips, that theme will ring out! This helps to raise the anticipation and excitement for all that attend! NEW in 2009 – The last week in July we will offer a special focus in sports, with mornings being dedicated to a real live soccer camp. Every camper will receive a soccer ball, soccer T-shirt and special focus items from our Soccer Camp.

## **2. Devotions**

Every Monday, Tuesday, Thursday and Friday we take some time before lunch to have our 'devos!' This is not your typical 'sit in a chair and fall asleep as someone speaks at you' time!! NO – our devos are exciting, interactive, challenging and FUN! We love to tie in our devos to our weekly themes, using drama and media because we want to be able to relate to your children in ways that they can understand and apply!

## **3. Wednesday Trips**

Wednesday is our BIG trip day! We charter a bus and go to incredible places!! Each trip coincides with the theme for that week! For example, we are having a medieval week and the Wednesday trip for that week we'll be going to 'Medieval Times' in Toronto to take in their show and meal! 'Under the Sea' week is when we will go to Marine Land! And of course there's always Canada's Wonderland. Trips are included in registration!

## **4. Jr. Leadership Program**

We believe our camp is a great camp, in part, because of our Jr. Leadership Program. This program is available for high school students looking to gain experience in leading at a camp. Every potential leader goes through the same hiring process and training as paid staff. Our desire is to see kids that go through years of camp, graduate into this Jr. Leadership Program and potentially come on staff in years to come!
